## Happy Holidays to All!

We have a new member to install this month! A huge welcome to Loretta Nelson!

Reporting data is on the horizon. Here is a brief list of the areas we have fulfilled in the past.

Food Donations, Leadership (e.g. District Day), Veterans, Auxiliary, Prayer Shawl, Memorial Maintenance, Winterfest, EWC Committee, etc.

In saving space in this newsletter, please email Karen your contributions to EWC in 2014-2015. List the name of the activity, hours spent on the activity and any cost involved. Email Karen at: [karen\\_bluemoon@yahoo.com](mailto:karen_bluemoon@yahoo.com)

Karen will have forms available at the December meeting if you prefer not to email her your contributions.

## DECEMBER EWC MEETING

by Joan Robinson

Everyone is invited to bring their favorite or special Christmas Tree Ornament to the December meeting. We'll explain why at the meeting.

## ADOPT A FAMILY

Sponsored by Ellington's Human Services

Thank you from all of us here at Ellington Human Services for participating in this holiday program. Your generosity is instrumental in making this a joyous holiday for your Ellington neighbors.

Please note the wish list below is only suggestions. No one is expected to provide each request. If you find that a certain request is too costly, maybe a gift card toward that purchase would be more appropriate. Your willingness to adopt a family is greatly appreciated.

Please bring your new and unwrapped gift to the December club meeting. Joan will bring all gifts to Human Services. Any questions please reach out to Joan at 860-463-4251.

# ELLINGTON ANNUAL WINTERFEST

Many thanks to Ann B. and Rita for locating a coffee pot at a tag sale. Thanks also to those who have already signed up to bake and volunteer. If you have not done so plan on doing it at the December meeting. Just a reminder snacks need to be individually wrapped.

Dot has acquired the Town Hall Annex again this year.

Please drop off your donation of food at the Town Annex between 2:00 - 4:00 pm on the day of Winterfest, December 5.

## C.I.P. (Maintaining Veteran Monuments)

In May we plant red, white, and blue flowers around the two veteran monuments in front of the Library in time for Memorial Day. In addition to our flowers one of the veteran groups in town has a ceremony and places a basket of flowers and some American flags in front of them. However, nothing seems to be done for Veterans Day in November. So, the American flags that were taken up when the plants were cleaned out by the monuments were put back in time for Veterans Day. A ceremony is held in the cemetery but nothing is done by the monuments which are seen all day, every day by townspeople. With that in mind, I suggest as part of my committee's maintenance of the monuments that we place wreaths in front of each monument for Veterans Day. This suggestion will be brought up at our December meeting.

# FOOD PANTRIES UPDATE

*Pat Tardif*

The donations to the food pantries for November totaled 67 lbs. of food. The collection included laundry detergent, toothpaste, toiletry samples, two \$7 Big Y turkey coupons, and two \$25 Big Y gift cards.

For our December collection keep in mind Christmas and items appropriate for that meal. Remember there are 30 other days in the month for which "ordinary" food is needed. The yellow box will be in the senior center from Tuesday, December 1 until after the meeting on Wednesday the 2nd. In December we will again be giving two gift cards to Ellington Human Services for Christmas food baskets.
